“ *Arlene had a good kind heart, a great sense of humor, and a laugh I will miss forever. The steam engine association has lost one of the most devoted members. I'll never forget the day I was complaining of something I had to do and she very sternly said to me.. "Quit complaining and just do it!" Well, I smiled at her, quit complaining and did it. When she found out what it was, she laughed and said "I am so sorry, I had no idea!"...and we both had a good laugh. Arlene will be missed by so many, but I know she is now in the best of hands. Dean, you are in my heart, thoughts, and prayers.*

Arlene was a wonderful woman, dedicated and loving, kindest heart you would ever know. Best times was seeing her n joking with her at WGHSEA at the membership office. Arlene will be missed. My love and prayers go to Dean and the family.

“ *I can't begin to say how much I will miss this dear soul. She has been a weekly part of my life for over 30 years, and Sunday dinner will never be the same. I will miss her genuine laugh and kind heart. Arlene was one of the most giving people I had the opportunity to know and she will always be family to me. My prayers are with Dean and the Deibert family.*
