“ *Dear Bohner family - I will always remember Betty as one of my favorite co-workers at the bank in Pillow. She was fun, witty and devoted to her customers. As a newlywed, she gifted Ken & I with 2 cats from her beautiful farm - aptly named "Percy" & "Betty". Peace to the family and especially her beloved Bill as you grieve her loss.*

Thank you for sharing this memory, it means so much to us. Coincidentally, a baby kitten went home with a grandchild last weekend. The kitten will serve as a reminder of the farm and her Grammy. I will certainly make sure Bill knows about your words.
