“ *Dear Newman Family,  
Your mother was a kind and gentle woman with a sweet personality. She always had a smile on her face and a warm welcome for everyone. Our mother, Mary, always enjoyed being around her and her sister, Eleanor. Your family always made our mom feel special and we always appreciated your thoughtfulness. We are sharing in your sorrow but rejoicing that Betty is now surrounded by her loved ones who are welcoming her into her heavenly home. Your mother's life was well-lived and she was well-loved by so many! May God bless and comfort all of you in your loss. She is now your guardian angel.  
Warmest Regards to all your family.....The Boyd Family*

“ *Betty is now at peace and with her husband, John. Both were special people I always said I loved to hear her talk she had a slight dutch accent and her husband was a dear friend of my own dad, they both had a passion for antiques. And Betty and my mom would talk on the phone just to check in to see how each other was doing. Rest in peace Betty, keep everyone up there in check.*
