“ Can't believe there won't be anymore talk of kittens or frogs or children and their antics. Miss you cousin.

“ Bobby and Kathy and family. My heart is aching for you. I'm so sorry for your loss. Carol was my buddy at 4-H gatherings and we always had a connection that can't be explained. When I left home I missed her so much. I was so happy to see her at mom and dad's anniversary party. Praying for comfort from God, our great comforter

“ To Carol's loved ones, I am so saddened to see this. I worked with Carol many years ago at the nursing home. She was such a good worker and made the shift go fast. Prayers that you will all be comforted.

“ *Those we love don't go away, they walk beside us every day...Unseen, unheard, but always near, still loved, still missed and very dear.*”

Even though we didn't grow up with one another and we weren't childhood friends, when I met you in 1985 (when I moved to Herndon) you and I had an instant connection. Like we knew each other our whole lives! You were such a kind-hearted, loving and wonderful person and you always listened with an open heart. I have so many fond memories of you. We have laughed and cried a lot together too! I miss you terribly and will always cherish you and all our times we were able to be together. You will always have a special place in my heart!

*See you on the other side Carol!
Friends forever,
