“ My deepest condolences to David, Pam, Angie and family. I had the greatest honor and blessing to be welcomed into David and Charlottes home to be Charlottes caregiver for almost two years. I looked forward to each morning with her to see her big smile when I woke her by saying to her "Good morning how is my beautiful lady today" I always had a surprise with things she would say to make me laugh or to try and scare me by going Boo! She had the cutest personality. My memories with her will be with me forever. I will love and miss her until we see eachother again in Gods beautiful Heaven. May you RIP Sweet Charlotte 🕊️💕💕 Love Sheila
