*Cluck did it all. The ultimate Gratz Handy Man! Probably inspired both me & my brother to go into engineering. And always 'so warm' of a man.*

“ I will always remember those Bingaman Reunions, and Uncle Cluck doing dirty bingo and making us laugh. He was the kindest most generous man. It was always fun talking to Mary and her telling me about her grand children some time she had some great advice They will be missed but until we meet them again, we will take care of each other. My prayers are with your family. Rita ( Ron) Bingaman

“ My Pap was the kindest man I have ever known. He would not let stuff get him down. The only time I ever saw him break down was when his Mary passed away. They were one of the closest couples I had ever seen. My favorite memory will always be going in his big green truck and help him at a job. After he would take me for ice cream. And I loved his compassion for people. If a elderly person could not afford to pay him he would say bake me a pie we will call it even. He built his business doing this. He was in his early 80's and was down in a ditch working that is how hard of a worker he was. Till we met again pap please keep track of the kisses you will get in heaven so I know which side to kiss you on. ❤️❤️❤️
