“ While married to Kermit Byerly,we lived right across the street. It would make our day when we heard his familiar laugh echo through the air. He always had a smile and a cherry Hello whenever he saw you. Prayers for comfort for you Mae and all the family. Charlotte

“ Mae and family, So very sorry to hear about Junior, he was such a kind and caring man and will be missed by many. We met the Zerby's back when our grown grandsons were small boys and they loved to go to the shop. We bought many gifts and snowmobiles there. He was always a very fair business man and Mae was by his side helping. We enjoyed going to their camp and seeing them at other times. They were a great couple together and always made you feel welcome. You all have our sincere sympathy, God bless you.

“ Our condolences on the passing of Junior. He & his business were staples in Herndon for so many years & he was a good friend to my father, Kermit Byerly all during this time. He served as a pallbearer at Kermit's funeral & always was a supporter of positive improvements being done in the borough. I always enjoyed talking with him and remember fondly all the years he took care of the Artic Cat snowmobiles & service for so many that loved that sport.

Thank you Doug. Your father's name was someone who dad referenced in his last few days, As if he was in the room. We believe Kermit was escorting dad home.

“ I am saddened to hear that Junior has passed away. My condolences go out to Mae and the entire family. My family and I shared many childhood memories with the Zerby family. The trips to the beach were great along with the visits to our houses. Great memories of talking and joking with Junior at Zerbys Garage when my Dad and I would bring our cars, mowers and just about anything to fix. He could do it all-very talented man. He will surely be missed.
