“ We are so sorry to hear of Danny's sudden passing. Just saw Danny recently at Nathan's garage and promised I would have fudge at the garage Christmas party if he would bring homemade cookies. Always loved he and Kathy's cookies as much as Danny loved my peanut butter fudge. Now he can eat all the cookies and fudge in heaven and won't have to worry about a thing. Years ago, Danny and I got into a conversation about age. I told him I know how old he was because he graduated with Verne. He then informed that he hung around a few years more than Verne and hung in there to graduate because he made a promise to his grandpa. Always enjoyed joking with Danny. He was always pleasant and had a big smile on his face. I know he was dearly loved and will be greatly missed by all. You are in our thoughts and prayers. God Bless You. Jean and Verne Hoover
