“ *My condolences to the friends and family of Donald and Peggy. I enjoyed knowing them over the last few years, first in my office and then at Premier. Peggy was my August 17th "birthday buddy", so that gave us a special little bond! I'll miss them both with you all.*

“ *Brother Donald, we had so many fond memories growing up which made it somewhat difficult being so far apart. But in our hearts and our spirit we were very close in many ways. As my big brother I looked up to you and you influenced me many times over. We pray you and Peggy will rest in peace in the arms of our Savior. We will miss you both.*

“ *Uncle Don.. I was so happy that I got to spend time with you on Saturday. Talking to you about you flying gliders, flying your airplane, and riding your motorcycle brought back great memories for us both. Seeing you smile and holding your hand is something I won't forget anytime soon. Now you're back with Aunt Peggy and we will miss you both. Thank you for being such a good Uncle.*
