“ *Dear Donna and family,
So sorry to learn that your Mother passes away. I know what you are experiencing since it is less than a year since my Mother passes away. Even though they have lived a long life, they leave this earth way too soon before we are ready to say good-bye. Our heartfelt sympathy to you and your family!*

“What a blessing aunt Dottie has been to all her family and friends. We will never forget the chicken dance, dinners at aunt Dottie's, picnics at Kathy's camp, blueberry custard pies, delicious salads and a fun look at life that aunt Dottie always had. John talks a lot about his fun times when he and his mother would visit aunt Dottie, uncle Swank(John), riding Donna's bike down the hill to the chicken/egg barn, and help uncle Swank grade the eggs. We were blessed by her life and we look back on many happy memories. To Donna and her family, we pray, God blessing to you all and that God gives you a peace that passes all understanding during this time. We love and will miss you.
