“Woody was a great friend and neighbor up at camp. He'd ride up, pull in the driveway, come on in or just stay in the truck, have a beer or two, and we'd gab for hours. Then he'd continue on up to camp for a few hours and go back home (sometimes he would join us for supper, but most times he needed to get home). We loved his stories about the bears up there -- the polite one at the camp fire and the one snoozing with her cubs on the front porch. Were they one in the same bear? He will be missed. We are praying for you and Woody.

*Love to you all, Larry and Fitti*

“ To the entire Weever Family,

*Where to start about (Butch) Elwood. He welcomed me into the Weaver Family from the 1st day. He was there to walk me down the aisle when I married Warren Sr. He was there when Warren Jr. was born and developed a great relationship with him. He was there for me through the good times and bad. He always had time to listen. He was more like my brother/father then my brother in law. He had a heart of gold. He was always there to lend a hand when someone needed it. He accepted everyone for themselves. He never thought he was better than anyone else. He was a hard worker and always provided for his family. He will never be forgotten. He will always be remembered in a very special way. You are all in my thoughts and prayers. May God Bless you and be with you all during this most difficult time.*
