“ *RIP Miss Florine, I was so shocked to read your obituary in Thursday paper, we just talked a little over a week ago about going to the fish fry and you wanted to wait until it got a little warmer! I will really miss you my friend! Pray God keeps you busy till I get there to join you! You were such a kind and gentle lady! Your friend and driver from VIP Dottie Deckman*

“ *We will miss Florine. She & Annamay were our neighbors for many years, with whom we always enjoyed talking. Florine would leave gifts at our door step next to where our dog was tied each Christmas & we would laugh and call it the "Christmas Miracle". It was a miracle because our dog at the time, would not allow anyone who did not live in our house to come near her, with the exception of Florine. Our thoughts and prayers go out to her sister and her family.*

“ *I will always miss Florine during the holidays. She spent too many Easters and Thanksgivings with me and Christmas at my brothers. We will never pass a raw celery stick or roll without her commenting that she had to have a 'pusher' to get the meal down. She always had some funny Dutch joke to tell or just saying something funny made the day. She was a presence in our home and she will be missed.*
