“ Where do I start with the memories....so many. I remember all the banquets that Glenn, Mary, Dan and I went to. Glenn always won a gun. The luckest man i know!! And then all the auctions and yard sales and flea markets we went together. Always had to buy something. I will never forget going to Brumbachs' on a Friday night and the night you bought 35 to 40 lbs of candy. But, you didn't like sweets!!?? All the times we went to flower auctions and the flowers you bought. Last summer you tried, and did a good job, of keeping flowers around the house just like Mary did. I remember all the times you asked for Hamburg Pea Gravy. You never complained about my cooking but I would know if you liked it or not. The food you didn't like stayed in refrigerator until one of the kids would throw away! So many more to mention.

I will miss you sitting aside of me in church. I will miss Mary and you greatly. You were the best brother I could have had. Rest in Peace. I know you are in great joy. You are with Mary again.

“ To the Family, I worked with Glenn in my capacity as Solicitor to the Elizabethville Area Authority and to Jordan Township. He was dedicated to both of those entities and worked hard for them. He was a man of integrity and it was an honor to know and work with him. You have my sympathy. Linus Fenicle
