“ *Hilda and Ken very quickly became more like family to me than I would have ever intended. I loved Hilda and enjoyed all the time I got to spend with her. Words just can't describe how devastated I am for her family and the loss of my friend.*

“ Kenny, Cindy, Steve and families,
Aunt "Janie" was more like a sister to me than an aunt. Growing up on the farm together I have lots of good memories. Playing duets on the piano, Janie accompanying me on the piano when I played my trumpet, getting wood out of the wood shed when we butchered or did corn, Carl teasing us with "fishworms" which she and I both hated, taking us to our first drive-in movie--the list could go on and on. I miss her already. I am sad that I could not give her one last hug and tell her how much I loved her. Rest in peace dear lady. My condolence to the family. She is at peace and has reunited with her loved ones in heaven.

May the Lord wrap his loving arms around you and bring you comfort and peace. You all have many beautiful memories of/with her.

“ Banner family, My sincere sympathy to you on the passing of Hilda. I met her while I worked at her chiropractors office. She was such a kind, caring woman. May God surround you all with his Angel's to comfort you and give you His peace.
