I have many memories every summer when I was young and we'd go back to Pennsylvania and there was always a family reunion and cousin Kenny was there as were Wayne and Brenda. I'm so sorry for the family's loss. Kenny will be missed.

Our condolences and prayers go out to the family. I'll never forget the good times Kenny and I had working together at Roadcap Dodge. I was the only one who could go in his toolbox If I needed something I didn't have. But I guess being related helped that out. LOL. We will miss you even though we hadn't seen you in years.
