“ Memmy,
You were such an amazing woman and you will truly be missed. I thank God you are no longer suffering but the thought of you not being here is hard. I wish I could have been much closer to you! My favorite memory was when I was up in March 2012, the beautiful smile on your face when I walked through the door just keeps a smile on my face! I love you so much and spend time with family we have lost in the past. We will meet each other again one day. Miss you and Love you! Rest in Peace Memmy!

“ I am so sorry that we can not be there for you all. But we are having a special memorial for Lena here.
She will be sadly missed and just know our hearts are with you.
Merl, you are in our prayers and hope the kids keep you busy. We will visit when we get home.
Love you all.

“ Auntie, I will never forget all the Christmas's we had at your place and all the summers I spent there with you and Memmy! I always loved spending time there as a kid. You will always be missed. I only wished my daughter could have experienced all the joy I had with you. We all take things for granted but one thing I will not take for granted is the last time we got to spend together. I would love to just sit and talk about our family tree with you just one more day. I will remember that day for the rest of my life. Auntie I love you and will never forget you.
