“ My dear dually related both first and second cousins and families, You are all in my thoughts, love and prayers. Aunt Lena was an incredibly hard working & courageous individual who, by God's grace, made it to 95 years having met and overcome the harsh challenges of life. She was the last surviving kin of the Mattern clan - the Bible tells us God saves the best for last. May she rest peacefully and eternally in God's amazing love. In the meantime you 3 wonderful sons need to get yourselves some Troutman's ring bologna (preferably garlic) and Middleswarth potato chips, have a pigout in thanksgiving for a life well lived knowing that even though I cannot be present for her visitation and service, you are all upheld in love as my thoughts and prayers are with you.
