“ Jack, my Condolences for the loss of your Wife. I had met, Linda at the Pharmacy, many years ago. She was always a Trip, when I would be sad, not feeling well, or just not smiling, she would always say "Now Girl, what has you so down, that you are not having a Smile on your Face?". She was always patient for her customers always had a Beautiful Smile on her face even when she wasn't feeling good herself.

I know you will have your Bad Days...

I know you will have your Good Days...

Just know that Linda, had talked about you and your family all the time, she had adored everyone. Even when she had gotten sick, she was not worried about herself, she was worried about everyone else.

I had just seen her a few weeks ago, at the Pharmacy, she had given me a Big Hug as she always did, asked me about me son, {Codie}. When I told her I was going to be a Grandmother, her face lite up like a Christmas Tree, she was so happy. Told me to cherish all my moments and to let Codie, know she had said Hi and Congratulations on him becoming a father....

This was my Linda, always concerned about everyone and so happy for everyone else...

I know she is looking down in Heaven right now, no longer in Pain and Free like a BUTTERFLY....

“ I am truly sorry for your loss. I have only fond memories of Linda. Truly special person. Loved her family more than life itself. Such a beautiful soul. Strongest person I have ever met. Jack and family, I pray for you all. I know how devastated everyone is. But always remember, she loved you all! All I can see is her beautiful smile. I will truly miss her.
Love to you all, Darlene Frangipanni

“ *I got to know Linda when she worked at the pharmacy and we became friends. She was a warm, friendly, outgoing person with a wonderful sense of humor. She talked lovingly of her family and adored her grandkids. I will remember her always. May God grant her family strength, courage and comfort during this time of sorrow.*
