Family of Lisa - Our prayers are with you all at this difficult time. Lisa was a wonderful person who I am honored to have been able to call a friend. Our daughters were very close friends which allowed us to meet. Our lives are forever changed because of the beautiful person she was. May God comfort you all.

“ You were a great sister. I have cried everyday since you have been gone. Thank you for all your memories. I know you were suffering but at the end I was asking God to help you and he decided that you were needed in Heaven. I Just know you are having a blast in Heaven. Lisa, you meant so much to me. I will miss you dearly. Please say hi to all my family up there. I love you Lisa and will see you on the other side someday.

“ *She was so strong, not letting it keep her from doing what she really wanted to do. When she should have been resting she was baking us pies instead. I will always have a place for her in my heart. Goodbye for now beautiful lady...*
