She is also survived by her

parents and sister Ann Klinger of Dalmatia and many aunts, uncles, brother and sister in-laws with many nieces and nephews. She was preceded in death by two unborn grandchildren.

Lori leaves behind an amazing legacy filled with memories that will never be forgotten.

“ Oh sissy! I miss you terribly! I know you are no longer suffering and you are having a wonderful time up there in heaven with all the family and friends that have crossed over. What I wouldn't do to be able to give you a great big hug and to tell you in person how much I love you to eternity and beyond and to hear you tell me that you love me to the moon and back. I know we will see each other again some day. Until then I will say it one more time! I love you to eternity and beyond❤️
