“ Mom,
Happy Valentine's Day!
It's been three weeks since you went to
heaven and I miss you more everyday. It is so
hard not to be able to pick up the phone and

“ I will miss the cheerful personality of my sister, as she was always
so upbeat with an alert, sharp mind in our phone conversations. She
had a wonderful time at her 98th birthday dinner in October....given
by her caring family. Thank you to her children for the good care
and attention that they provided for her. My family & I have fond
memories.
