“ Dearest Lamar and family, I was so saddened to hear of Marlene's passing. She was a very special person who brought a lot of sunshine with her. I think of all of you often and know that you will miss her. Just remember she gave you a treasure chest full of memories and you should visit it often and speak of her often. We never talked about my mother, who passed away in childbirth with me. Therefore I never got to hear all those great stories. Don't make that mistake. I love you all and you will be in my thoughts and prayers. God bless you all. Miss ya! Barb
