“ Ann & Family,  
I last talked to Bob at the R&K Dinner on the 26th of June. He joked to me that I was taking Ann away for a day to judge, and to his friend Tom; that he had a day without a boss coming up on July 12. He assured me that he was up to riding his motor cycle and even though Tuesday was cool and breezey, that is how he got to dinner. Dennis said he will miss his unique voice and would of liked to hear him sing one more time. The Gratz Fair has lost a family member who was dedicated and of course took the time to tell us how we could improve the Fair. His stories of his life shared over a meal at the PSACF Convention amazed us, and we would look at Ann to confirm. The legacy he left is special. His spirit will continue to shine, lighting the way for others, leaving us an example to follow and a remarkable life to remember. Peace to you.

With Sympathy

“ Dear Ann and Family: Expressing deepest sympathy and hoping you will find comfort in knowing others care and are near in thought today and into the future. The fond memories of Bob will always be with me. The time we spent together at the PSACF Convention in Hershey, especially when Bob told stories of his younger years, still brings a smile to my face. God, keep a watchful eye over Bob, he has been known to leave home without permission and somehow trouble always found him and his buddies. Rest in Peace Bob and thanks for the memories.
