“ *My condolences go out to Stella and my extended family in Pennsylvania. Alda was a unique character who was always fun to talk to when my family and I visited from our residence in Iowa. I cannot make the trip for the services, but I will be there with the family in spirit. May Alda rest in peace.*

“ *I worked at Mountain View and had the pleasure of meeting and helping take care of miss Alda Daisy. I can truthfully say Alda was one of my favorites to be around. She always had a smile on her face and always put one on mine in return  
Not one other resident knew how to quite make me laugh as hard as Alda. Only being 19 i can truely say that Alda has left plenty of memories behind with me and she will never leave my heart! I'm blessed to have met such a wonderful person!*
