Toni and Family

We all want to express our deepest condolences to all of you on the passing of your Mother/Grandmother. She was a great and funny lady. Never serious - like all of you. That is what made her so special. I remeber growing up in Klingerstown and Casee and her being the mail clerks. They were about the best mail clerks we ever had in town. They helped to make the town what it is today. I remember Vivian being at your home the many times I was there visiting. I want to thank you all for letting me be a part of your family all my life. You all trated me more like a daughter/sister than a close family relative/firiend. I really appreciate it. Those will be the cherishable memories that I will always have of the great town of K-town, being with the Bowman Family and Casee and Vivian being the head of the crazy clan. I know Vivian is at home with the Lord having a good time and chat with Violet Maurer and Grandma Straub. You are all in our thoughts and prayers. We all love you all very much.
