“ Roy wanted to share a memory of Paul, he once put a dead ground hog on the hood of Pauls truck and needless to say Paul was not happy- didn't talk to Roy for 2 months but they made up. Another memory is Paul n Roy used to have to go to the bank for Weis, and Paul needed gas so he stopped for gas n left his pipe in the truck. Well Roy stuck a dime in the pipe , and when Paul did try to light the pipe it wouldn't light, Roy had a good laugh and so did Paul. Now, One day Roy n Paul were harassing each other as they always did. Paul was talking to Roy while filling up his floor machine he used to clean the floors. Well, Paul stuck the hose in Roys pocket and the water ran down his leg soaking his pants. Roy had to go home n change his clothes. There are many more memories we shared with him. I will always remember how kind hearted Paul was. When my youngest son tripped n fell and skinned his knee (he was probably 5 years old) he started to cry. Paul pulled a \$1.00 out of his pocket and gave it to Brandon do he would feel better. We will cherish all the memories we have of Paul, always n forever!
