“ To the Lepper Family. My thoughts and prayers are with you all. He was a great man and will be missed by all who knew him. Time seems to slip by so fast. I sit and think of all the fun times we all shared at missionettes and royal rangers as kids. I will sure miss his big smile, and his firm hand shake. He has worked so hard all his life and now he will relax with god. I will miss him...my heart goes out to you all.. Tammy Shutt

“ For a long time I felt lost. I searched and searched, trying to find some kind of answers or some kind of direction. When I walked into your church, for the first time in a long time, I felt like I belonged somewhere. You helped me to find my direction, but most importantly you helped me to regain my faith. Not just my faith in God, but faith in myself. You once told me that no matter what I did in the past God would forgive me, even if I couldn't forgive myself. I will greatly miss your smiling face and welcoming presence. I am happy that you are now where you deserve to be and look forward to seeing you again someday.
