“Ronnie Mace was a good friend to Steve and Joan Masser Troutman. We attended many years of school together at Dalmatia Elementary and Line Mountain High School. Ron was quite popular. He was always a gentleman in many ways. He was strong physically and mentally, and was not intimidated by anyone. He was an anxious participant in school events. Ron loved to ice skate, and played ice hockey on the Troutman's farm pond with many of his classmates. He grew up on a farm near Malta and helped do the farm work which included driving tractor. He used a Model "60" John Deere tractor, the same model I was familiar with. (I thought that was cool that we drove the same tractor!) Ron continued to support his school classmates, as he organized at least one class reunion. Ron and Dianne attended local community events, especially carnivals where we sat and talked together. Ron made you smile with his witty conversation. He loved his community and was proud of his heritage. We will miss Ronnie Mace. Steve and Joan Troutman

“ Diane, Evie and family,
I am so sorry to hear about Ronnie. He was such a wonderful guy and always had a smile on his face whenever I ran into him. I have fond memories of him from High school, but also from when we were little guys and we would come to the farm to visit with Aunt Kate and Uncle Charles with Mammy & Pappy Zeiders. He will not be forgotten, that is for sure.

“ Diane & family--I just received the news about Ron from another classmate...sooo sorry for you. Ron was a good man (Disko Duck!) and classmate from the Line Mtn. Class of 1970 & he always had a smile to share with others. I know that he enjoyed attending the auctions that Crock & I had an opportunity to do down that way. He will be forever in our hearts! God bless!!!

“ Ron was a wonderful person, loved children to bad he didn't have a dozen of his own. He puppies where his children. He always had a little puppy in his coat or in his arm. He was always the one we turned to when his nieces and nephews did poorly in school or were not listening, it was called Uncle Ronnie's detention camp. Oh what a detention camp that was, yea the worked but they always went either to the store or out to eat. All his nieces and nephews have many memories of him. He also loved his disco music, during the summer you could hear his music down at his mom and dad's house. We will miss Ron a lot.

I agree. He loved children. He was a good neighbor to my brother, Roy, his wife Cindy, and their triplet daughters. When their own Pappy (my Dad) died, he became their surrogate pappy. They called him Pappy Ron. The last time I saw him, he was at Maurer's tree farm, fussing over another neighbor's new baby. If there were more people like Ron, the world would be a better place.
