“ My deepest condolences to Connor, Nick, & family! Words cannot take your pain away, but let knowing how much your mom was loved, and how many lives she touched help comfort you! She was one of the nicest, truest, most genuine person I ever had the pleasure to meet, and was able to become friends with! We shared many memories together with our Susquehanna Village Family! Her compassion for her job was evident every day, but her love for her family shined even brighter. She always spoke highly of her boys! She was so proud! May she be at peace now! Say hi to my mom Rox..., save me a seat! See you again one day! God Speed! Hugs to the family!! 🙏💕💕
