“ To all of Sam's surviving family, I extend my condolences. Sixty five years ago Sam and I were childhood playmates. Spent many hours playing in the local creeks, woods, and biking around the valley. Around 1949/50, I bought my first bicycle from Sam, for 7.00. Broke my piggy bank to pay for it. My father wanted to teach me a lesson about business. Great memories. Sorry we lost touch as adults.

“ Pap, The last couple of weeks will always stay with me. Thank you for sharing so many stories with Janelle and I. I enjoyed looking over the photos with you and listening to you and Mem "argue" over where they were taken. I wish we would have done these things sooner and that I would have spent just a little more time there with you this past week. I miss you and will never forget you. Love your granddaughter.

“ He was a helping, and caring neighbor that was very willing to help us when we were unable to do it ourselves. Especially when it came to mechanical things. He has helped us so many times its hard to count. I'll always remember all the advice he gave to make sure we weren't taken advantage of by bad people. The thanks we have to express to him is unending and he shall always be a bright memory even on the darkest day. And our heartfelt condolences go out to his family.

“ Lucille and family I am sorry for your loss. Sam was a wonderful man. I was glad I got to visit and talk with him in the past couple weeks. He was a strong man and a fighter. It gives comfort knowing he went peacefully and no suffering. He is now with his sons watching over you all. Rest In Peace Sam
