“ Scott was a friendly, loving man . He did love sports in which we participated in over the years at the Wetzel Family Reunion. Our great volleyball ball games, baseball and great food.. I am Ruthann cousin Ann, who saw him as a child until he grew into such a wonderful man. I moved from the area many years ago, but Scott was also one of my family to greet us when we came to our reunions.and made us feel welcomed. He teased my son but also made him feel included.and of course helped him play some games. . One year my oldest son came with his family and Scott played with my grandsons keeping them entertained and made them feel included . That was one of his greatest assets. He showed kindness to everyone making you feel included and just happy. He always had a smile on his face.

I was so devastated when I received the news of his passing and even sharing this I find it so hard to write. I extend my love and sympathy to Laurie, Scott , Pierce , Stacey , Henry and their families. Of course my heart is broken for his mother and my cousin RuthAnn. She is one of the strongest women, I know.and to his loving Aunt Linda , Mike and Aunt Sandy and their families. If I missed anyone, I am praying for all. May you all find peace and love in your hearts. Love always. Ann, Mike,Sean,Amber, Michael , Vicky, Alex and Ethan .
