“ Keith and family,
I'm so sorry to hear of Tracy's passing. Having only seen her at a few class reunions since high school, I still remember her as she was then. We had many good times in band and all the choral groups. I will keep you in my prayers. May all the good memories you have of her give you comfort in the months to come.

“ Tracy was a very wonderful child hood friend! In a neighborhood with mostly boys- we spent many fun times together. She and the Millers introduced me to the method of dipping your toast in your hot chocolate. Also learned how to make "froggy in the hole" breakfast toast! She had a great play house/ room with others to dress up in and trailer to pretend it was our house. In later years - she would cut my kids hair at the Selinsgrove mall and tell about their river lot in Winfield . She wi be greatly missed! Hugs for you my friend- Tracy.

“ Keith, Amy and Jessica;
We have no words to mend your heartache.
However, we do have faith in God!
Our faith shows us that Tracy is always as close as a memory and
that Gods'
comfort is as close as a Prayer.
In time; Gods' Grace will reveal that we weren't crying tears of
sadness today because Tracy's life is over but rather we were crying
tears of Joy because she touched us deeply!
Cherishing our memories and keeping you in our Prayers;
